A pioneer destroys things and calls it civilization.
- Charles Marion Russell

It is not the strongest of the species that survives, nor the most intelligent, but the one most responsive to change.
- Charles Darwin

The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing.
- Albert Einstein

The NEA will become a political power second to no other special interest group... NEA will have more and more to say about how a teacher is educated, whether he should be admitted to the profession, and depending on his behavior and ability whether he should stay in the profession.
- Sam Lambert, NEA Executive Secretary

When refering to the NEA, education secretary Rod Paige called them a "terrorist organization." - CNN.com

There is no accountability in the public school system - except for coaches. You know what happens to a losing coach. You fire him. A losing teacher can go on losing for 30 years and then go to glory.
- Ross Perot
